

ATTENTION TIBETAN TERRIER BREEDERS! Please help us fund research grants through the AKC Canine Health Foundation by pledging to donate \$25.00 or more per puppy to the Tibetan Terrier Health & Welfare Foundation. Here's how: Simply fill out the form below indicating your pledge to participate and send to the address below.

When you have a litter between April 1, 2009 and April 1, 2010, you can tell potential puppy-buyers that you support the Canine Health Foundation and TT health research. After the puppy is sold, simply send a check for at least \$25.00 per puppy to the address below.

This challenge is for breeders only. If you are not a breeder and want to support TT health research, please make a donation to the Tibetan Terrier Health and Welfare Foundation and indicate on the TTHWF form that you would like the contribution to be used for health research.

From now until the end of this challenge, each newsletter will contain a list of breeders who have accepted the challenge and pledged their participation. This information will also be listed on the website.

*Contributions by breeders to the TTHWF/CHF will be used to support research into health issues. All proceeds will be restricted to funding grants through the AKC/CHF. Your donation is tax deductible. For more information on the TTHWF, see <http://www.tibetanterriersfoundation.org/>
